migraine x Search ?

Search Options ▶ Basic Search Advanced Search Search History

La ricerca per argomenti può essere altrettanto utile. Il team editorial di CINAHL Editorial ha assegnato degli argomenti agli articoli in base al loro contenuto, consentendovi di creare delle ricerche mirate.

Quando selezionate il riquadro **Suggest Subject Terms** sopra il campo di ricerca, prima di condurne una, i vostri termini saranno cercati direttamente all'interno dell'autorità CINAHL Headings. Da lì potrete selezionare argomenti e sotto-argomenti per affinare la vostra ricerca.

The screenshot displays the EBSCOhost search interface. At the top, a blue navigation bar contains the following items: "New Search", "Publications", "CINAHL Headings" (highlighted with a red box), "Evidence-Based Care Sheets", and "More". On the right side of the navigation bar are links for "Sign In", "Folder", "Preferences", "Languages", and "Help". Below the navigation bar, the page title "Demonstration Medical Library" is visible in the top right corner. On the left side, there is a circular logo for "NBST.it" featuring an open book icon. In the center, the "EBSCOhost" logo is displayed. To the right of the logo is a search bar with the text "migraine" entered. Above the search bar, it says "Searching: CINAHL Complete" and "Choose Databases". Below the search bar, there is a checkbox labeled "Suggest Subject Terms" which is checked. To the right of the search bar is a green "Search" button with a question mark icon. Below the search bar, there are links for "Search Options", "Basic Search", "Advanced Search", and "Search History".

Potete anche cliccare direttamente sul collegamento **CINAHL Headings**, dalla barra di navigazione in alto, per scorrere gli argomenti più pertinenti. Per ulteriori informazioni sulla ricerca usando i termini del tesaurus, consultate il tutorial “Termini CINAHL/MeSH su EBSCOhost” dal sito di assistenza EBSCO. La funzionalità di ricerca per CINAHL Headings è disponibile in tutte le basi dati CINAHL.

The screenshot shows the EBSCOhost interface. At the top, a navigation bar includes links for 'New Search', 'Publications', 'CINAHL Headings', 'Evidence-Based Care Sheets', and 'More'. The 'Evidence-Based Care Sheets' link is highlighted with a red box. The 'More' dropdown menu is open, showing 'Quick Lessons' (circled in red), 'Cited References', 'Images', and 'Indexes'. Below the navigation bar, the 'Database: CINAHL Complete – Quick Lessons' is displayed. A search box contains the text 'headache' and a 'Browse' button. Below the search box, there are radio buttons for 'Alphabetical' (selected) and 'Relevancy Ranked'. A 'Page: < Previous | Next >' navigation is visible. Below this, a 'Select one or more items and click Search' section contains a 'Search' button (circled in red). A list of subjects follows, with 'Headaches, Migraine' selected (checkbox checked and circled in red). Other subjects in the list include 'Headaches, Tension-Type', 'Heat Stroke', 'Hemophilia', 'Hepatitis A', 'Hepatitis B', 'Hepatitis C', 'Hodgkin Lymphoma In Adults', 'Hodgkin's Lymphoma In Childhood/Adolescence', and 'Hypothyroidism In Adults'.

Quando ricercate le basi dati *CINAHL Plus* o *CINAHL Complete*, potete cliccare sul collegamento **EVIDENCE-BASED CARE SHEETS** dalla barra di navigazione in alto o su **QUICK LESSONS** sotto il collegamento **More** e visualizzare una lista dei topics disponibili. Selezionate semplicemente il riquadro accanto ad uno degli elementi della lista e cliccate sul bottone **Search**.

### EBSCOhost Research Databases

EBSCOhost is a powerful online reference system accessible via the Internet. It offers a variety of proprietary full text databases and popular databases from leading information providers.

The comprehensive databases range from general reference collections to specially designed, subject-specific databases for public, academic, medical, corporate and school libraries.

[View A Tutorial On This Topic >](#)

#### EBSCO Support Site

EBSCO's [Support Site](#) is available 24 hours a day, 7 days a week. Our FAQ database, [tutorials](#), and user guides can provide answers to your technical questions.

EBSCO Customer Support Representatives are also available by [phone](#) and [e-mail](#) 24 hours a day, Monday through Friday, as well as Saturday and Sunday from 9 a.m. to 5 p.m. (US EST).

#### How to Use Help

- When the Help icon  appears, you can click the icon and help for the screen you are on will display.
- To obtain help for the database(s) you are searching, click the Help icon  to the right of the Find field and click on the Database name at the bottom of the left-hand side of the Help window. Database help is also available from the Choose Databases window.
- To view the entire Help System, click the [Help](#) link at the top right-hand corner of the screen.

**Note:** The recommended screen resolution for EBSCOhost is 1024 x 768.

[← Back](#)

In qualsiasi momento cliccate su **Help** per consultare una guida completa dedicata.
